

NEW

Joan 6 RE

A top-performing meeting room scheduler for companies that value swift operations and an elevated user experience in meeting room management.

Built by award-winning experts, Joan 6 RE features advanced system architecture that's faster, safer, and ready to scale with your business.

The 6-inch sustainable display prevents double bookings, eliminates interruptions, and reduces unattended meetings. Mounted without wiring or drilling and installed in minutes, it runs for months on a single charge, even when WiFi is at its poorest.

Why choose Joan 6 RE

Connects seamlessly with

High Visibility and Accessibility

Front light and monochromatic ePaper design ensure high visibility throughout the day.

Unparalleled User Experience

Improved and intuitive user interface for easier navigation, regardless of user's tech savviness.

High-Performance System Architecture

Faster and safer operations with state-of-the-art system architecture.

Advanced security

Secure communication between the device and cloud servers, encrypting any data that is transmitted over the internet.

No wiring, no drilling

Attached with a magnetic mount, the display is self-aligning thanks to its 18-magnet point system.

Improved Battery Life

Extremely low energy consumption, even in poor WiFi conditions.

Energy-efficient

Consumes 580x less power compared to iPad.

Simple Onboarding

Uses WiFi to connect to your existing calendar in minutes.

Real-time updates and on-the-spot workspace management

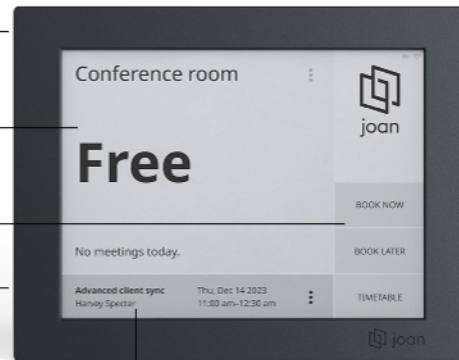

In slate gray or graphite black color

Meeting room status and availability

Book in advance or on-the-go

Frontlight

Upcoming meeting, date and duration

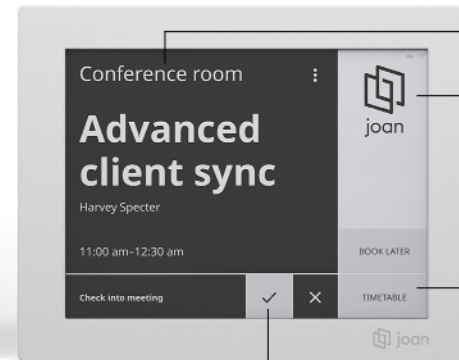

Meeting room name and capacity

Customizable logo

6-inch, touch screen display

Check meeting room timetable

Presence checker for room utilization

Magnetic mount

Preconfigured in the package

Apply the custom adhesive magnet to any surface without the need for drilling or cabling. Wait a few minutes and attach your Joan device to the magnet. This straightforward installation takes just a few minutes and eliminates lengthy onboarding.

Secure wall mount

Optional accessory

An additional mounting option for your Joan devices. Discrete and minimalistic, for the perfect combination of quiet design and heightened safety. Compatible with Joan 6 devices.

Free 30-day trial

When you set up your first Joan device, you will be given a complimentary 30-day trial of your Joan room booking subscription. This allows you to explore all the features that Joan offers and determine which ones suit your needs the most.

All-in-one workplace management system

Joan offers a variety of workplace management solutions including desk sharing, asset reservations, and visitor management.
